

## **BREAKING NEWS: Vein Center Receives National Accreditation**

On June 10, Virtua Vein & Vascular Experts in Voorhees received full three-year accreditation in superficial venous evaluation and management from the Intersocietal Accreditation Commission (IAC).

Founded in 1991 by medical professionals to advance appropriate utilization, standardization, and quality of diagnostic imaging and intervention-based procedures, IAC provides accreditation programs for vascular testing, echocardiography, nuclear/PET, MRI, diagnostic CT, dental CT, carotid stenting, vein treatment and management, cardiac electrophysiology, and cardiovascular catheterization. IAC-accredited programs are dedicated to ensuring and promoting quality patient.

The clinicians at Virtua Vein & Vascular Experts provide the latest minimally invasive treatments for the full range of venous and vascular disorders, from varicose and spider veins to deep vein thrombosis.

Stay tuned for more information as we communicate this achievement to the community.
